A MESSAGE FROM Attorney General Martha Coakley

I am pleased to announce that we are seeking entry-level attorneys for our Fellowship Program.

The Fellowship Program was established to provide opportunities for new attorneys to gain practical experience in the public sector and to enjoy the personal satisfaction of working to serve the citizens of the Commonwealth. Our work at the Attorney General's Office encompasses criminal prosecution, health care advocacy, consumer protection, civil rights, enforcement of labor laws, torts, contracts, eminent domain, administrative law, violence prevention programs, and so much more. In addition to our Boston offices, we have regional offices that serve the Western, Central and Southeastern regions of Massachusetts.

The Fellowship Program is an initiative of our office's Diversity Committee. I invite you to apply for a Fellowship position to begin in September 2009, and join our talented and dedicated staff.

Cordially,

Martha Coakley
Massachusetts Attorney General

ABOUT THE PROGRAM

Attorney General Coakley's Fellowship Program offers entry-level attorneys the unique opportunity to engage in the practice of law and policy in the largest public sector legal office in the Commonwealth.

Fellowship participants will receive training and supervision in particular practice areas to enhance proficiency and to ensure success in the program. Through the Fellowship Program, new attorneys will enrich their legal experience, broaden their exposure to the public sector, and assume substantial individual responsibility for their work.

The Attorney General's Office serves the public through its five bureaus: Executive, Public Protection and Advocacy, Government, Criminal, and Business and Labor. Fellowship recipients will be assigned to a bureau and, to the extent possible, requests for specific bureau assignments will be honored.

The Fellowship Program is competitive, and candidates will be selected on the basis of several factors: academic achievement; legal, professional or personal experience related to the mission of the Office of the Attorney General; law journal participation; law school competitions and extracurricular activities.

ELIGIBLE CANDIDATES

The Attorney General's Office seeks applications for its Fellowship Program from:

- Third-year day or fourth-year evening law students scheduled to graduate in 2009; and
- Current full-time judicial law clerks who received their J.D. in 2008.

The Fellowship Program begins in September 2009. All individuals invited to participate must commit to a two-year term and must take the bar exam in Massachusetts no later than July 2009.

The salary will be \$50,000 per year. For those interested in continuing their employment, the Office anticipates transitioning successful fellows into staff positions at the end of the two-year period.
